Subject: Double Mtn Fork Brazos CNMS review

CNMS DB -

N:\Texas_2d\60670387_TWDB_DMF_BrazosRiver1_BLE\500_DELIVERABLES\DoubleMountainForkBrazos\BLE_Submittal\Flood Risk Products\Supplemental\CNMS\DMFB_HUC_BLE.gdb

BLE DB -

N:\Texas_2d\60670387_TWDB_DMF_BrazosRiver1_BLE\500_DELIVERABLES\DoubleMountainForkBrazos\BLE_Submittal\Flood Risk Products\Spatial_Files

I did a QC on the DB to have Sara move it to the base Spatial_Files folder and not a subfolder, so I'll link you to that... but if you start your review before she's updated, then it will be in the subfolder path.
